Our Philosophy:

Our practice is based on keeping a perspective of “if I were the patient” and do our utmost to preserve ones teeth.

Our speciality :

- We specialize only in endodontic therapy.
- Not covered by health insurance.
- We provide therapy based on the practice of endodontic specialists in North America.
- We accept second opinions.
- We have installed & use microscopes of the highest specs available. Most of the instruments are disposable, and we maintain a sterile environment to prevent infections.
- Treatment costs:
First examination for counseling is 30 minutes: ¥5,500 (tax inclusive)
Other costs will be explained after your first examination.
- Regarding foreigners:
 - ♻ English : Communication is possible, though not native.
 - ♻ Other languages : Recommended to bring a interpreter.
